PC:

The appellant is claiming right to the suit property through one Baba Jagdeorao who expired in the year 1872 who left behind two sons by name Sultanrao and Anandrao. Both the courts below have factually found that the jointly family had disintegrated long back and the plaintiff has no right in the suit lands. Both the Courts below have concurrently recorded finding against the plaintiff-appellant. Same does not call for interference as no substantial question of law arises. Hence second appeal is summarily dismissed. Civil Application No.4523 of 1993 does not survive.
